Dear Parent, Guardian or Carer,

**Re: Online Learning Platforms**

We believe that strong links between home and college is crucial to your child's education. We would like to draw your attention to the online platforms that your child has access to from home. The logins for these have been provided to your child and you may be aware of their use of this already.

Mathematics: <https://www.mymaths.co.uk/> (KS3, KS4, Post 16)  
<https://vle.mathswatch.co.uk/vle/> (KS4)  
Science: <https://www.kerboodle.com/> (KS3, KS4)  
French: <https://www.kerboodle.com/> (KS3, KS4, Post 16)  
ICT: <https://www.teach-ict.com/> (KS3, KS4, Post 16)

Furthermore, all students can access Microsoft Teams, which is an online learning platform which allows teachers to share learning resources with their students and set tasks for those students to complete. Accessing Microsoft 365 using their unique college email addresses, provides exciting ways to enhance and extend your child's learning while providing many useful features such as being able to download extra copies of work, submit assignments online and keep up with any work being missed during absences from college.

In addition to the above listed online platforms that require a log in, there are a number of recommended educational websites which will aid the development of your child and help consolidate learning.

Host of links to all subjects: <https://studywise.co.uk/>  
Science: <https://www.freesciencelessons.co.uk/>  
Mathematics: <http://mrbartonmaths.com/>  
Key Stage 3: <https://www.bbc.co.uk/bitesize/levels/z4kw2hv>  
GCSE: <https://www.bbc.co.uk/bitesize/levels/z98jmp3>

The Trust's documents, newsletters, notices and calendar will continue to be available via our website. We hope that this information will support you to provide help and guidance at home and will prove a vital tool in developing stronger links between home and college.

Additional materials will be issued to students who do not have access to the internet from home. This will be provided by the student leads.

In the first instance if you have questions please contact your college Principal.

Thank you for your continued support.

Yours sincerely,

H.Faure  
**Chief Officer - Operations**
