

Maths Week

In celebration of Maths Week from Monday 8th to Friday 12th November, students took part in various stimulating Mathematics activities.

Daily Mathematics questions were dispersed around the College to enhance students' understanding of mathematical concepts with a 'prize of the day' as an incentive if answered correctly. Students also capitalised on the classic game Bingo which was transformed into an engaging, teaching tool to reinforce mathematical skills in a fun and creative way, and was the highlight of the week! Each player was required to solve the mathematical problem presented by the caller and mark a space on their card corresponding to the answer, with the fastest person to complete a 'full house' winning a prize. The Mathematics Best Buy speed task also proved popular amongst our Key Stage 4 cohort. Students worked in pairs to complete problem-solving, reasoning activities, enabling them to incorporate real-world mathematical thinking into their lessons, whilst preparing them for their GCSE examinations.

With reinvented revision techniques and curriculum-aligned topics, it was undoubtedly a very comprehensive week!

National Citizen Service (NCS) Programme

Last week, our Year 11 cohort had their second National Citizen Service (NCS) session. They focused on career mapping and discovered how their GCSE grades will provide them with a solid foundation for success in the future.

They also took part in team-building activities where they looked at how working with others and communication is vital for success. Lastly, they had a brief First Aid session where they learnt about Cardiopulmonary resuscitation (CPR), the recovery position and how to deal with choking. These are invaluable sessions that provide our students with great experiences and opportunities. They have a further four sessions in the coming weeks.

Public Examinations - Summer 2022

The Public Examinations page on our college website provides information about the summer 2022 examinations for Year 11 and Year 13 students. There are also some useful links for students and parents, guardians and carers about revision tips, study skills and managing examination stress.

Please visit <https://www.hewenscollege.co.uk/114/public-examinations> for access to these resources. Year 11 have been learning about revision techniques and have been given a revision techniques booklet to help them plan their own revision timetable. You will also find an update on the scheduled collection date for your child's summer 2022 examination results. Details about collection procedures will be published via newsletter and the College website nearer the time.

Post 16 Open Evening – Monday 22nd November

The Rosedale Hewens Academy Trust is excited to announce its Post 16 Open Evening, held to support all local young people in choosing the best possible pathway for success, as they work towards graduating from their secondary education. The evening will aim to guide parents, guardians, carers and prospective students through The Trust's Post 16 offer, where they will be taken on a journey through the four colleges within The Trust and guided through the different curriculum areas, demonstrating what Post 16 teaching and learning looks like, as it is a step up from GCSE. From the wide variety of subject areas on offer, students and their families will be able to gauge the examination boards used, the modules covered in both Year 12 and 13, and will receive a comprehensive overview of what the course demands from its students.

The event promises to be informative and enlightening for all. From the career-focused courses offered at The Trust to our extensive enrichment opportunities, students and their families are invited to join us on Monday 22nd November at 6:00pm to find out just what makes Post 16 at The Rosedale Hewens Academy Trust an offer that cannot be missed!

In order to keep the crowds to a minimum, we would appreciate if we could limit the guests to one adult per prospective student. In the meantime, please feel free to explore our Post 16 provision at <https://trhat.co.uk/explore-post16/>.

Anti-Bullying Week

Anti-Bullying Week will take place from Monday 15th to Friday 19th November under the theme One Kind Word. In a world that can sometimes feel like it is filled with negativity, one kind word can provide a moment of hope; it can be a turning point in someone's life; it can break the cycle of bullying.

It is now more important than ever to practise kindness. After months of isolation, little acts of consideration can break down barriers and brighten the lives of people around us. It starts with one kind word. It starts today.

Children in Need

Children in Need will return this year on Friday 19th November for a night of fundraising with the aim to ensure every child in the UK is safe, happy, secure and has the opportunities they need to reach their potential. The money raised will support local charities and projects which are providing essential frontline help to children and young people in communities throughout the UK, and improve the lives of disadvantaged children so that they can thrive.

 <h1>November 2021</h1>		
November		
Monday 15th to Friday 19th		Anti-Bullying Week
Monday 22nd	6:00pm	Post 16 Open Evening

Attendance

We would like to remind parents, guardians and carers that research shows there is a clear link between the attendance rate of students and their level of attainment. Please support your child to attend regularly by ensuring that any medical or other appointments are organised out of college hours. The expectation of the governing body is that all students will achieve a minimum annual attendance rate of 96%. The only circumstances in which absence from college will be authorised are when your child is too ill to attend or permission for leave of absence, due to exceptional circumstances, has been received from the Principal.
