

## Eliminating Racism and Discrimination

Hewens College students participated in a logo design competition with theme "Eliminating Racism and Discrimination". Students designed their own logos and the results were absolutely phenomenal and vibrant. Some decided to design them digitally on the computers while others channelled their inner Picasso and painted them, with marvellous results. All students made us very proud with their creativity. The best three designs received an Amazon voucher as a prize.

## Post 16 Open Evening – Wednesday 30th November

The Rosedale Hewens Academy Trust is excited to announce its Post 16 Open Evening to support all local young people in choosing the best possible pathway for success, as they work towards graduating from their secondary education. The evening will aim to guide parents, guardians, carers and prospective students through The Trust's Post 16 offer, where they will be taken on a journey through the four colleges within The Trust and guided through the different curriculum areas, demonstrating what Post 16 teaching and learning looks like, as it is a step up from GCSE. From the wide variety of subject areas on offer, students and their families will be able to gauge the examination boards used, the modules covered in both Year 12 and 13, and will receive a comprehensive overview of what the course demands from its students.

The event promises to be informative and enlightening for all. From the career-focused courses offered at The Trust to our extensive enrichment opportunities, students and their families are invited to join us on Wednesday 30th November at 5:30pm to 7:45pm at Rosedale College to find out just what makes Post 16 at The Rosedale Hewens Academy Trust an offer that cannot be missed! The Director's Speeches will take place at 6:00pm and 7:00pm. In order to keep the crowds to a minimum, we would appreciate if we could limit the guests to one adult per prospective student. In the meantime, please feel free to explore our Post 16 provision at <https://www.therosedalehewensacademytrust.co.uk/post-1>

## Mobile Telephones

Whilst the College accepts that some parents, guardians and carers wish their child to carry a mobile telephone for reasons of personal safety as they travel to and from college, they must remain switched off and kept out of sight during the College day. It is the policy of the College for all Key Stage 3 students to hand their mobile telephones to their form tutors at the beginning of each day.

The telephones are then securely stored until the end of the day when they are returned to the students. Please note that the College will not accept liability for the safe keeping of a mobile phone; it will remain the responsibility of the student at all times. Use of a mobile phone during college hours will lead to sanctions being imposed, up to and including confiscation.

## Attendance

We would like to remind parents, guardians and carers that research shows there is a clear link between the attendance rate of students and their level of attainment. Please support your child to attend regularly by ensuring that any medical or other appointments are organised out of college hours.

The expectation of the governing body is that all students will achieve a minimum annual attendance rate of 96%. The only circumstances in which absence from college will be authorised are when your child is too ill to attend or permission for leave of absence, due to exceptional circumstances, has been received from the Principal.
