

## Fumez The Engineer Delivers Inspirational Careers Talk

On Wednesday 16th March, over 80 Year 10 and 11 students scammed to the canteen to secure front row seats for an exclusive talk with pioneering UK music producer, audio engineer and content creator, Fumez The Engineer.

West London born, Fumez is one of the leading producers of UK hip-hop and drill music. Throughout the talk, he shared his insights on how he got into the competitive music industry, what inspired him to achieve his goals and the key catalysts for success on his journey. With a Year 10 student poised in spearheading the Question and Answer, Fumez touched on the launch of his Plugged In series during lockdown and how he capitalised on the opportunity to triumph over tragedy, encouraging the students to turn their obstacles into opportunities by choosing their own destiny and manifesting it, whilst not letting unanticipated circumstances dictate their futures.

Inspiring the next generation of leaders, his talk empowered students to become more well-rounded and to explore potential career paths, raising their aspirations whilst inspiring them to thrive in their fields of interest. Thank you to Fumez The Engineer for a thought-provoking discussion and to Speakers for Schools for organising this event. ## World Poetry Day – Monday 21st March

Monday 21st March will be observed as World Poetry Day, a day to celebrate the power of poetry and language, whilst recognising its great cultural contribution to society.

Each year, we are encouraged to join together in order to allow our voices, words and stories to bridge gaps in our understanding through forms of cultural and linguistic expression.

## 7RoadLight Workshop

On Friday 25th March, we are delighted to welcome Dwayne Jack from 7RoadLight to deliver a motivational workshop to our Year 9 and 10 students. He will cover topics such as youth violence, substance misuse and student leadership so that they feel empowered to make better choices and help create a better society.

## Facebook – Stay Connected

Follow us on Facebook via (<https://www.facebook.com/T.R.H.AcademyTrust>) for the exciting content we post each week and gear up for many more memorable snapshots encapsulating the valuable opportunities offered, providing students with engaging, exhilarating and unimaginable experiences!

## Mobile Telephones

Whilst the College accepts that some parents, guardians and carers wish their child to carry a mobile telephone for reasons of personal safety as they travel to and from college, they must remain switched off and kept out of sight during the College day. It is the policy of the College for all Key Stage 3 students to hand their mobile telephones to their form tutors at the beginning of each day. The telephones are then securely stored until the end of the day when they are returned to the students. Please note that the College will not accept liability for the safe keeping of a mobile phone; it will remain the responsibility of the student at all times. Use of a mobile phone during college hours will lead to sanctions being imposed, up to and including confiscation.

## Public Examinations – Summer 2022

The summer examinations for GCSEs, AS and A Levels will resume this year for the first time since the coronavirus pandemic. Ofqual and the Department for Education (DfE) recognise the difficulties students may have faced during this time and have made necessary changes to this year's arrangements to support students. Examination boards have published advance information for examinations in most subjects, giving an overview of the support being provided for each qualification for students taking their GCSEs, AS and A Levels this year. Please visit (<https://www.gov.uk/guidance/subject-by-subject-support-for-gcse-as-and-a-level-students-in-2022>) for further details. We have updated our Public Examinations page with this information. Please visit (<https://www.hewenscollege.co.uk/curriculum/public-examinations>) where you will also have access to a number of useful resources for students, parents, guardians and carers about revision tips, study skills and managing examination stress.

## Year 11 Prom - Save The Date

After two years of restrictions affecting the succession of our annual prom, The Rosedale Hewens Academy Trust is delighted to announce the resumption of our much-anticipated, well-deserved prom to mark the end of Key Stage 4 for our Year 11 cohort. Offering a red-carpet experience under this year's theme 'A Night on the Red Carpet' and a festivity that will commend our Year 11 stars of the night for their successes, the Year 11 Prom has been scheduled for Friday 15th July, ameliorated as a result of the previous unprecedented years whilst concluding the students' journey in Year 11.

So, prepare to step out in your most glamorous gowns or elegant evening attire and walk gracefully upon the red carpet paving the way for our VIP (Very Important Person) guests as a grand entrance. You will entwine around the splendour of the evening and dance away the exuberance of the night, engendering memories that will live on forever.

Parents, guardians and carers are prompted to complete and return the reply slip accompanying the letter that was distributed with full details about the programme, no later than Monday 21st March to confirm your child's attendance. This can also be accessed via (<https://www.hewenscollege.co.uk/attachments/download.asp?file=174&type=pdf>).

The total cost for students to attend the Year 11 Prom is £35 per person. Tickets are now on sale and are available for purchase via your child's iPayimpact account.

Please note, full payment must be received before Monday 25th April. This is a great opportunity for our students to celebrate the culmination of their Year 11 experience.
