

Student Ambassadors for Hewens Primary

The Hewens College Senior Student Ambassadors work very closely with Hewens Primary School to provide support for students in Early Years', Key Stage 1 and Key Stage 2.

The Ambassadors attend on a daily basis and help with reading, literacy, numeracy and PE. This is a key element in the Ambassador's work that really shows our values of the 6 R's as well as developing confidence, leadership, organisation and raising self-esteem.

Year 10 Student Ambassador

The Year 10 Senior Student Ambassadors recently interviewed students in Year 8 to widen and develop the student leadership body across the College. There were a number of students in Year 8 who applied for the role of Student Ambassador and the interview process was tough and rigorous and we are delighted that a number of Year 8's were successful and are looking forward to fulfilling their role as a valued Student Ambassador of Hewens College.

Options Evening

On Tuesday 28th of February, Hewens College held its year 8 options evening. It was a hugely successful evening with the canteen packed with eager students with their parents/carers. The day started with the students engaged in class-based activities, workshops from professionals and an assembly from a career's advisor. This was followed in the evening, with parents/carers being given important information and guidance from subject teachers who were on hand to promote their subject and Mrs Littlefair giving a keynote speech outlining the choices and the process

International Women's Day

For International Women's Day and beyond, let's all fully #EmbraceEquity. Equity isn't just a nice-to-have, it's a must-have. A focus on gender equity needs to be part of every society's DNA and it's critical to understand the difference between equity and equality. The aim of the IWD 2023 #EmbraceEquity campaign theme is to get the world talking about Why equal opportunities aren't enough. People start from different places, so true inclusion and belonging require equitable action. To read more about this, visit the International Women's Day website here: <https://www.internationalwomensday.com/EquityEquality>

Leading Parent Partnership Award

As we work on our LPPA reaccréditation, please be reminded that all our curriculum content can be found on the school/college website, where you will find details of what your child is learning in each subject in each year group. Lots of parents, guardians and carers find it useful to be able to follow their child's learning topics each half term.

Happy Holi

Festival of Colours! Holi is one of the major festivals of India and is celebrated on different dates every year. This great Indian festival is observed at the end of the winters in the month of March after the full Moon. A day before Holi a large bonfire is lit that helps in burning out the evil spirits and that whole process is called as Holika Dahan.
