

Trip to Stratford

As part of their GCSE Geography course, Year 11 students accompanied Mr Sheehan to look at two contrasting parts of Stratford in terms of regeneration. Students practised how to gather data using a wide variety of primary fieldwork methods. It was great to see so many students engaging with members of the public whilst completing questionnaires. The highlights of the trip included seeing the Olympic Stadium up close and sampling the delights of Westfield shopping centre. Throughout the day the behaviour and attitude

Hewens College students at Wembley Stadium

Fifteen students from Hewens College were selected to be Ball Boys and Girls at the Carabao Cup final held at Wembley Stadium. The game was played between Manchester United and Newcastle which promised to be a great game. The students were walked through the expectations and got to soak up the pre-game atmosphere, before being involved in the game. The fifteen students played a vital role in the organisation of the game and completed their duties to perfection, ensuring they stayed alert to the frenetic pace of the game, throwing the ball back to high profile players such as Kieren Trippier, Marcus Rashford, Allan Saint Maximin, Rafeael Varane, Lorus Karius and many more. Though, the Newcastle United fans outperformed Manchester United's in the stadium, on the pitch, the latter left Wembley victorious in a tightly contested 2-0 win, with goals from Casemiro and Marcus Rashford. This was a once in a lifetime opportunity and the participating Hewens College students thoroughly enjoyed the day.

Student Ambassadors 2022/23

Being a Hewens College Student Ambassador means our students take active roles in our College community and develop many positive skills in the process. The goal of inspiring student leaders is to create a culture of ownership, collaboration and community in our classrooms and beyond. Student Ambassador development provides our young leaders with vital skills they can carry over to adulthood.

Public Health - Cases of Measles in Hillingdon

The local Public Health team has informed us that there has been a recent increase in the number of cases of Measles in Hillingdon. The cases all children aged 1 to 16, and all are unvaccinated. It is important that if a child is suspected of having measles, they do not attend school. They must telephone their GP or NHS 111. Measles is a notifiable disease which means all cases must be followed up, and contacts identified and given advice on what action they need to take. College Uniform

The College uniform plays a valuable role in supporting positive behaviour for learning and contributes to the ethos of the College. It is designed to instil a sense of pride, identity and belonging. All students are required to wear full college uniform when attending college for normal lessons, representing their college, or when participating in a college event outside normal college hours and on educational trips and visits.

Free School Meals

'Free School Meals' is a statutory means-tested benefit, which provides a child with meals at school or college for free. If you believe you may be entitled to this benefit for your child, please attend the College reception and request an application form. The member of staff on reception will be able to advise any parents, guardians or carers who are unfamiliar with the process for claiming 'Free School Meals.' Please note that parents, guardians and carers must reapply each year for this benefit.

Happy Easter !

Happy Easter to all our parents, guardians, carers and students. We wish you a holiday celebration filled with peace, joy, and happiness. May the holidays bring you new hope and vitality, and for our students, may it be the reason for a 'spring in your step' upon your return to college. There are many ways to have fun, learn new skills and make new friends this Easter at our FREE activity sessions aimed at young people who receive free school meals.
