GCSE Success

We would like to congratulate our Year 11 cohort who have just received brilliant GCSE results which is a testament to the hard work, dedication and resilience they showed throughout their time at Hewens College. Collectively, they achieved our best set of results, which would correspond to the phenomenal academic performance of other schools found in national league tables. A special mention to Edward Reid, Reah Aglae and Zarek Hossain who were awarded incredible 8 and 9 grades; they have undoubtedly set a very high standard for our new Year 11 cohort! We wish all of the students the very best for their future studies. Well done all!

Precautionary Measures for Coronavirus

Please note that although it is not mandatory, students are still encouraged to wear face masks, maintain social distancing and perform regular handwashing throughout the day. In addition to these precautionary measures, the College are also anticipating the provision of the new carbon dioxide monitors this September launched by the government. The programme will provide sufficient monitors to take readings from across indoor spaces within the College to allow staff to identify where ventilation needs to be improved and let fresh air in, therefore removing air that contains virus particles and reducing the transmission of COVID-19.

Please note, we have updated our Coronavirus - Advice and Guidance page with this information. To keep updated with the latest guidelines and the new implementations made around the College, please visit: https://www.hewenscollege.co.uk/129/coronavirus-advice-and-quidance].
