Year 10 Examinations

The end of year examinations for Year 10 students will take place from Monday 12th June to Thursday 22nd June. During the time of these examinations, all Year 10 students must attend college at the normal time of time each day. Students need to go directly to their Form Room for morning registration and will then either attend normal lessons or a timetabled examination, whichever is applicable. It is important for all students to bring the appropriate equipment i.e. pen, pencil and calculator to the examinations. Students must also note that no electronic device (e.g. phone, iPod, Smart Watch etc.) will be allowed into the examination venues. Such items must be left at home or handed in at the start of each examination. Please note that the College does not take responsibility for loss or damage to these items so we therefore strongly recommend that all mobile phones and electronic devices are left at home. If you require any further information or have any questions regarding the trial examinations, please do not hesitate to contact the College reception.
