

### Science Museum Trip

Our Year 8 and 9 students went to the Science Museum where they were able to see the wondrous developments in science that have been made in the last two decades. From industrial machinery and a mechanical calculator, to the wide applications of science in the modern world. With so much information, the day went quickly and before we knew it, it was time to head back. The trip was a fantastic experience for all students.

### Culture Day

Hewens College students celebrated their cultural diversity with singing, dancing, food and clothing as part of Culture Day. The college was buzzing with enthusiasm and excitement. Students displayed various talents during the talent show which was organised by our student ambassadors and our music teacher Mr Burnham. A huge well done to everyone who took part in various events.
