

MyBnk Workshops

During the weeks commencing Monday 2nd and Monday 16th May, the Mathematics Alliance hosted a financial workshop - Money Twist, for Year 7 and Year 10 students. Throughout the workshops, students had the opportunity to solve real life questions involving wages, regular income and explored the impact of good money habits in different scenarios. The presenters from MyBnk were excellent in delivering specialist, financial education to the students and students' feedback after the sessions was positive. The sessions encouraged them to think about earning, spending and saving money whilst building their knowledge, skills, mindsets and habits at key transitional moments in their lives.

Science Museum Trip

On Friday 20th May, our Year 9 students visited the Science Museum. They spent time in the 'Exploring Space' gallery where they saw a full-sized replica of the Eagle – the lander that took astronauts Armstrong and Aldrin to the Moon in 1969. They then moved onto the 'Who Am I' gallery where they explored the science of who we are through intriguing objects, provocative artworks and hands-on exhibits. Finally, the students visited the 'Engineer Your Future' gallery where they took part in challenges, games and films which helped them to understand what engineers do, and find out whether this could be a potential career prospect for them!

No Smoking, Vaping and Use of Electronic Cigarettes

Smoking constitutes a fire risk and is a proven hazard to our health. Although harmful to all, passive smoking is particularly dangerous for babies and children. Parents, guardians and carers are reminded that smoking, vaping and use of electronic cigarettes is strictly prohibited on the College grounds and is not permitted outside the College gates. Please support us in our duty of care for your child by ensuring that you adhere to our 'No Smoking' policy. Thank you.

Year 11 Prom Extravaganza - Extended Date

The Year 11 Prom is underway, and while the deadline for payment was initially to be made by Monday 23rd May, we have now extended the date to **Friday 10th June** due to the fantastic turnout we have seen in previous years, and to allow more time for those who have not yet purchased their tickets.

You will have seen the video montage on screen and heard about the events of the past, but this year's prom is like no other!

With five hours of the gala devoted to good food, socialising and making memories to last a lifetime, this provides a backdrop for the most anticipated annual gathering that will have far more to offer.

For those who have already purchased tickets, you will be entitled to a **VR (Virtual Reality) or gaming experience** at the Trust where you will be able to explore the entire 360 degrees of an entire scene through a VR headset. For all of those yet to purchase tickets, there are still some great opportunities to take part in.

In lieu of the conventional prom, as a ticket holder you will receive:

- ☆ *the opportunity to take part in an internal competition designing a **Snapchat Geofilter**, with the possibility of your entry being submitted to Snapchat for use on the day, making it all the more personal*
- ☆ *the opportunity for students to showcase their talent at the venue and perform for our attendees*
- ☆ *access to a cutting edge **360 photo booth** to capture the entire experience with one button – a publicity dream for our superstars of the night*
- ☆ **Special Guest attendance**
- ☆ *five hours of unforgettable, memories!*

To change the course of the night further, this year's event will see the full professional photography studio experience with contemporary backdrops, great lighting and the opportunity to **receive high quality photo prints** instantly.

Following the last few years that has stripped away milestones, freedom and opportunities, the Year 11 Prom will be a great way for students to celebrate the culmination of their Year 11 experience. This year's event will be exhilarating, bespoke and there will be a series of 'wow' moments that students will carry with them for the rest of their lives. We have a number of exclusive things lined up; so, get your tickets and experience the Year 11 Prom in the most extraordinary way!

Please note, we are now offering an alternative payment option. Cash payments will now be accepted in addition to iPayimpact, and should be handed in to **Mrs S Chana** to secure your child's place.

Should you wish to discuss the details of the Year 11 Prom, please contact **Miss Patel** at apatel@trhat.org.

Friday 10th June	9:00am	English Language Paper 2	1 Hour 45 Minutes

The timetable of public examinations for the summer series has commenced. It is of vital importance that each student attends college fully prepared for each examination he/she is entered for at least 30 minutes before it is scheduled to commence.

Students are required to attend all examinations in full college uniform and with the required equipment. For Science and Mathematics examinations, they must have a calculator, ruler, pencil and a geometry set. Students must also bring a black biro to each examination.

The use of mobile telephones and other electronic devices are NOT PERMITTED in the examination hall. Therefore, it is requested that students do not bring these items to college when they have an examination. If students do need to have any such devices with them, they must hand them to the invigilation staff at the start of each examination. Failure to do so may result in disqualification from the examination.

Students must attend the examination(s) for which they have been entered for. In the event of illness or an emergency situation that prevents your child attending or means your child will be late, please make contact with the College as soon as possible so that appropriate advice can be given and arrangements put in place.

Please note that your child's final examination grade will be adversely affected if he/she fails to attend a scheduled examination.

Free Guided Cycle Rides

The London Borough of Hillingdon have organised free guided cycle rides this summer, designed to allow you to ride at your own pace, increase heart rate and improve well-being. The ride leaders are employees of Hillingdon Council and are keen cyclists who have been trained to guide groups of people.

Upcoming rides include family cycle rides, medium cycle rides and medium-long cycle rides; all routes will be fun, safe and interesting with the distance, duration and terrain of the ride varying according to the type of ride. For more information about the available dates and to book your place, please visit (<https://www.hillingdon.gov.uk/article/5202/Guided-cycle-rides>).
