

### What are the aims and intentions of this curriculum?

The aim of our Key Stage 3 Curriculum is to ensure that students will gain knowledge about a wide range of the different religious and non-religious beliefs and practices in the world and learn to respect and tolerate different beliefs and cultures that may be different than their own. The skills that will be taught will be transferable across the whole curriculum to support the transition to GCSE.

Term	Topics	Knowledge and key terms	Skills developed	Assessment
Summer 2	Religion and the Media	Students will analyse and evaluate the impact that the media can have on the views people gain about various religions. Students will evaluate the accuracy of the depiction of religion through the media and evaluate does it give people a deeper understanding or lead to further misconceptions. <a href="#">Linked to Careers as students will analyse the role of various industries in the media.</a> Key terms: Bias, Censorship, Control, Freedom of Speech	Essay writing, analysing sources evaluating key pieces of information.
