

Cricket Day

On Monday 13th June, fourteen Year 7 girls attended the Middlesex Girls Cricket Day at Radlett Cricket Club. They participated in bowling, batting, and fielding activities. As well as this, they watched the Middlesex Sunrisers defeat the Southern Vipers. After the game, the girls got the chance to meet the Sunrisers where they capitalised on the opportunity to request autographs and take photographs with the team. Their engagement and behaviour were excellent.

Compass Workshop

The "Confident with my Compass" workshops organised and led by the Mathematics Alliance were extremely successful and enjoyed by both Year 6 staff and students. Students participated well, asked relevant questions and were not afraid to attempt challenging Key Stage 3 and GCSE tasks involving bisecting angles using a compass. Our Mathematics coaches were very helpful and demonstrated their abilities by being role models for the younger students. Overall, the feedback was positive.

The timetable of public examinations for the summer series has commenced. It is of vital importance that each student attends college fully prepared for each examination he/she is entered for at least 30 minutes before it is scheduled to commence. Students are required to attend all examinations in full college uniform and with the required equipment.

For Science and Mathematics examinations, they must have a calculator, ruler, pencil and a geometry set. Students must also bring a black biro to each examination. The use of mobile telephones and other electronic devices are NOT PERMITTED in the examination hall. Therefore, it is requested that students do not bring these items to college when they have an examination.

If students do need to have any such devices with them, they must hand them to the invigilation staff at the start of each examination. Failure to do so may result in disqualification from the examination. Students must attend the examination(s) for which they have been entered for.

In the event of illness or an emergency situation that prevents your child attending or means your child will be late, please make contact with the College as soon as possible so that appropriate advice can be given and arrangements put in place. Please note that your child's final examination grade will be adversely affected if he/she fails to attend a scheduled examination.

Year 6 to 7 Transition Day - Tuesday 5th July

This year, we are making provisions to welcome back our new Year 7 students onsite to the annual Transition Day for Hewens College. The event will take place on Tuesday 5th July and further details of our programme will be distributed to our new students shortly. We look forward to meeting our Year 7 cohort next month!

Student Welfare - Health Care Plans

If your child has a condition, allergy or illness that requires regular long-term medication/care or requires staff to take urgent action when certain conditions apply, please make immediate contact with your child's Alliance Director. Arrangements will then be put in place as a matter of priority for a Health Care Plan to be agreed with you and put in place. The plan will detail the level of support that is needed for your child whilst at college.
