

## What University? What Career?

On Friday 10th November 2023, Year 11 students went to Olympia, London to attend the "What University? What Career?" event. Hewens College students were among various other students from other schools, all eager to find out information about their Post 16 and Post 18 choices. Most students found the event really useful, speaking directly to employers and university representatives about university courses and apprenticeships at from Level 3 (equivalent to A-levels) to Level 7 (equivalent to Masters degree). The students gained lots of knowledge and they feel more equipped to make informed choices about the future.
