MYBNK Workshop

Year 7 and 8 students had the opportunity to take part in a workshop which was hosted by the Mathematics Alliance and facilitated by MYBNK. Students explored the cost of living, wages, income and also had fun making budgets. Students had fun learning how to differentiate needs from wants and were able to make good financial decisions based on different circumstances.

Mobile Telephones

Whilst the College accepts that some parents, guardians and carers wish their child to carry a mobile telephone for reasons of personal safety as they travel to and from college, they must remain switched off and kept out of sight during the College Day. It is the policy of the College for all Key Stage 3 students to hand their mobile telephones to their form tutors at the beginning of each day.

The mobile phones are then securely stored until the end of the day when they are returned to the students. Please note that the College will not accept liability for the safe keeping of a mobile phone; it will remain the responsibility of the student at all times. Use of a mobile phone during college hours will lead to sanctions being imposed, up to and including confiscation.
