Principal's Welcome

As the new Principal of Hewens College, I would like to welcome all our parents, guardians, carers and students to Hewens College for the new academic year.

It has been an eventful month thus far. Students who were excited to meet their peers again after a long summer, were also keen to meet the tutors and teachers who would support them throughout the year. Additionally, Asymptomatic Test Sites (ATS) were also set up on-site to ensure a safe return to college for all students, and Induction Days facilitated by Directors and tutors, were held to discuss useful topics to ensure a smooth transition to college for our Year 7 cohort. With the objective of improving personal organisation and helping students to focus on their targets, part of the induction included the issuing of student planners, which we hope will be used to increase the opportunities for dissemination of information and to increase communication between home and college.

A Level Results Day at Hewens

Despite a time of unprecedented circumstances and decisions, The Rosedale Hewens Academy Trust celebrated A Level Results Day on Tuesday 10th August. Welcoming back our Year 13 students after such time apart was bittersweet; it was a hello and goodbye all at once, to a cohort that was respected and esteemed by all. No matter the aspiration, no matter how lofty the ambition may have initially seemed, the dedication of the students meant that, at The Trust, the dreams of our young people were materialised.

All of our students achieved great results and have either gone on to further study in a college or training. The Trust wishes its Year 13s all the success and happiness in the world. At their new destinations, they will undoubtedly thrive and soar due to their committed and dedicated personas. They have learnt resilience, determination and perseverance like no other cohort before and it will surely serve them well on their new and exciting journeys.

Precautionary Measures for Coronavirus

Please note that although it is not mandatory, students are still encouraged to wear face masks, maintain social distancing and perform regular handwashing throughout the day. In addition to these precautionary measures, the College are also anticipating the provision of the new carbon dioxide monitors this September launched by the government. The programme will provide sufficient monitors to take readings from across indoor spaces within the College to allow staff to identify where ventilation needs to be improved and let fresh air in, therefore removing air that contains virus particles and reducing the transmission of COVID-19.

Please note, we have updated our Coronavirus - Advice and Guidance page with this information. To keep updated with the latest guidelines and the new implementations made around the College, please visit: (<https://www.hewenscollege.co.uk/129/coronavirus-advice-and-guidance>).

Year 7 Open Evening - Thursday 30th September

This year, we are making provisions to welcome back families and their children currently in Year 6 onsite to the annual Open Evening for Hewens College.

To ensure that parents, guardians, carers and prospective Year 7 students have the chance to sample the College's innovative curriculum, we will be hosting a variety of activities to give pupils and their families the opportunity to discover first-hand what is on offer at the College. Families will also be given the opportunity to enjoy a guided tour of the College, a promotional video, a speech delivered by the Principal, and gain an in-depth and valuable insight into the College's ethos, dynamic teaching and the variety of academic and vocational further education options on offer at Hewens, as well as how these are delivered across Key Stages 3 and 4, and Post 16.

Please ensure you join us at Hewens College on Thursday 30th September from 6:00 to 9:00pm. It is crucial that only one adult per prospective student attends to limit the number of people on-site. We also encourage you to explore our website, read our prospectus, and follow our social media channels for an insight into life at Hewens College. For further details on our Open Evening, please visit (<https://trhat.co.uk/events-openevening-hc/>).

Term Dates

The 2021 to 2022 term dates are detailed on our website and can be accessed via (<https://www.hewenscollege.co.uk/113/term-dates>). Please check these dates as they will be particularly helpful to parents, guardians or carers planning family holidays and activities.

Absence Reporting

In the event of your child being unable to attend college, please contact the main reception on 020 8573 1039 before 8:00am. In order for the College to ensure that all students are properly safeguarded, it is important for you to follow this procedure for every day your child is absent. The only exception to this is for extended periods of illness where the period of absence is explained in a note from your child's doctor or hospital. The College is required to account for all absences so please ensure your child brings a letter that verifies the reasons for their absence on their return to college.
