

## Achievement Assembly

On the last week of the term all year groups attended various Achievement Assemblies. The Assemblies celebrated the Achievements of all students who had portrayed fantastic progress via behaviour, attendance and Alliance points. We would like to congratulate all high achievers and hope that they continue to strive for the same excellence next term.

## Trip to Royal Holloway

On Thursday 14th December 2023, 52 of our current cohort of Year 12 students visited Royal Holloway university with the aim of introducing and exposing students to the higher education environment.

The day's activities included:

- A campus tour
- Taster Lecture
- Q&A session

The campus tour provided students with first-hand experience of the Royal Holloway university campus' facilities and places of interest including:

- The arboretum (a hidden 3.5-acre garden first planted in the 1950s)
- The Founder's Building (an impressive piece of Victorian architecture based on a French chateau and sitting at the heart of the campus)
- The Picture Gallery (Thomas Holloway's fine collection of Victorian paintings)
- The Chapel (A gilded, non-denominational place of worship and a focal point for the university community.)

The Taster Lecture was given in the afternoon by a current lecturer and prospective PhD graduate in social science, Stefan Brown. The title and focus of the lecture was Social Media & Regulation which introduced students to various thinkers and perspectives to provoke thoughts and questions on whether or not social media should be regulated.

The Q&A involved an interaction between our Post-16 students and Royal Holloway Student Ambassadors. Our Post-16 students were encouraged to write down their questions and place them in a bag to then be sorted into common themes and answered based on the most suitable RHU ambassador.
