Butterfly Kites

Year 7 students have practised patterns in textiles, starting with origami butterflies. The function of the butterflies was then tested on the playground to mark distance. In coming weeks, our next steps will be to create patterns with mathematical accuracy and vibrant colours. Students had a great time creating their butterflies, using their creativity and incorporating both mathematics and science into their textiles learning.

COLLEGE DROP OFF AND COLLECTION

Please can we remind parents, guardians and carers not to block the pavements outside or opposite the College as on occasions, our students and other pedestrians have had to walk on the road as a consequence, which is very dangerous.

We appreciate that these are exceptional times in terms of managing access to the schools, however please can we request all parents, guardians and carers to be mindful of others when dropping and collecting children. Thank you.

COLLEGE UNIFORM

The College uniform plays a valuable role in supporting positive behaviour for learning and contributes to the ethos of the College. It is designed to instil a sense of pride, identity and belonging.

All students are required to wear full college uniform when attending college for normal lessons, representing their college, or when participating in a college event outside normal college hours and on educational trips and visits.

ATTENDANCE

We would like to remind parents, guardians and carers that research shows there is a clear link between the attendance rate of students and their level of attainment.

Please support your child to attend regularly by ensuring that any medical or other appointments are organised out of college hours. The expectation of the governing body is that all students will achieve a minimum annual attendance rate of 96%.

The only circumstances in which absence from college will be authorized are when your child is too ill to attend or permission for leave of absence, due to exceptional circumstances, has been received from the Principal.
