

23rd April, 2021

Dear Families,

Firstly, on behalf of the whole Hewens College team, I would like to thank and congratulate you on choosing Hewens College as the next step on your educational journey. At Hewens our mission is 'To Change the World' and we are very excited that you will now be a part of our community as we grow and develop for the benefit of all members of our College family!

With the support of the Rosedale Hewens Academy Trust, the College is growing in reputation and stature based on how we nurture and support our students so that they become the best versions of themselves, set for a happy and successful life.

With an exceptional team of teachers, Teaching and Learning Associates and administrative staff, we are ready to support you in fulfilling your ambitions, both academically and as an individual. We make no apology for having very high expectations of all, as we only grow by learning how to face and overcome challenges with optimism and resilience.

Over the next few weeks we will share further information about your preparation for life at Hewens College, so please regularly check the College website: www.hewenscollege.co.uk/135/transition-information, social media and your parent, guardian or carer's email Inbox, for details. Our plans include the following, under current social distancing guidance:

- A personal tour of the school for you and your family if COVID guidance permits
- A question and answer session hosted on Microsoft Teams
- A reading list and bridging work for the summer weeks
- Information about uniform, timetables and equipment
- Completion of the Hewens College registration form
- Signed Home / College Agreement
- The Transition Workbook
- A 'Meet the Tutor' event, face to face if guidance permits
- Many other tools to help you prepare for Year 7

Your first step into Hewens College will be the first step of the rest of your life! We look forward to meeting you soon.

Best wishes,

Mr S Waldron

Principal
