

## Big Bang Trip

On Thursday 20th June, forty-nine Year 8 students went to the Big Bang UK Young Scientists and Engineers Fair at the National Exhibition Centre (NEC) in Birmingham. It was a fantastic STEM event where thousands of young people across the UK got to discover exciting hands-on STEM activities, careers panels and workshops. Students were given the opportunity to discover exciting possibilities and connect with inspiring role models in STEM.

**RECYCLE** **RE-USE**

**Bedrock Learning**

We have invested in a wonderful online programme called Bedrock. This is an online programme where your child can access both non-fiction and fiction texts to improve their reading skills and learn new vocabulary that will enhance the way they read, speak and write across all of their subjects. As your child progresses through the Bedrock curriculum, they will study hundreds of new words.

Research has shown that there is a direct link between a student's vocabulary size and their academic achievement. Children with a wider vocabulary make faster progress at school, in further education and beyond. Narrow vocabularies affect directly students' grades.

The Bedrock core curriculum is accessed by every year 7 and 8 student during their weekly English lesson. Parents, guardians and carers of Year 7 and 8 will shortly be receiving a letter with their child's log in details. For extra information visit the Bedrock website:
