

Stimulating Science

On Wednesday 22nd September, Year 7 students engaged in a stimulating Science lesson with a special focus on Movement. In order to unlock student engagement and enhance learning, students incorporated pasta into their lesson, using this to create skeletons and demonstrate skeletal movement.

Our Year 7 cohort thoroughly enjoyed this tactile approach to learning, inciting enthusiasm, as they revelled in this creative, cross-curricular activity.

Year 7 Open Evening - Thursday 30th September

This year, we are making provisions to welcome back families and their children currently in Year 6 onsite to the annual Open Evening for Hewens College.

To ensure that parents, guardians, carers and prospective Year 7 students have the chance to sample the College's innovative curriculum, we will be hosting a variety of activities to give pupils and their families the opportunity to discover first-hand what is on offer at the College. Families will also be given the opportunity to enjoy a guided tour of the College, a promotional video, a speech delivered by the Principal, and gain an in-depth and valuable insight into the College's ethos, dynamic teaching and the variety of academic and vocational further education options on offer at Hewens, as well as how these are delivered across Key Stages 3 and 4, and Post 16.

Please ensure you join us at Hewens College on Thursday 30th September from 6:00 to 8:30pm. It is crucial that only one adult per prospective student attends to limit the number of people on-site. We also encourage you to explore our website, read our prospectus, and follow our social media channels for an insight into life at Hewens College. For further details on our Open Evening, please visit <https://trhat.co.uk/events-openeveninghc/>.

Precautionary Measures for Coronavirus

Please note that although it is not mandatory, students are still encouraged to wear face masks, maintain social distancing and perform regular handwashing throughout the day. In addition to these precautionary measures, the College are also anticipating the provision of the new carbon dioxide monitors this September launched by the government. The programme will provide sufficient monitors to take readings from across indoor spaces within the College to allow staff to identify where ventilation needs to be improved and let fresh air in, therefore removing air that contains virus particles and reducing the transmission of COVID-19.

Please note, we have updated our Coronavirus - Advice and Guidance page with this information. To keep updated with the latest guidelines and the new implementations made around the College, please visit: <https://www.hewenscollege.co.uk/129/coronavirus-advice-and-guidance>.

Roll Out of the Coronavirus Vaccinations in Schools

The government has announced the roll out of the coronavirus (COVID-19) vaccination to children and young people aged 12 to 15 years old. Following government guidelines, the vaccination programme will be facilitated in the forthcoming weeks at Hewens College with NHS staff attending to administer the vaccination to each student who has returned their signed consent form. For more information, please read the following letter that was distributed this week: <https://bit.ly/2XJ6QBG>.

 <h1>September 2021</h1>		
September		
Thursday 30th	6:00 to 8.30pm	Open Evening

Education Catch-Up

The government announced funding to support children and young people in England, in catching up on learning lost during the pandemic. With an ambitious education recovery plan, the various catch-up programmes and fun activities include catch-up sessions and support for Early Years, children and young people aged between 4 and 19, Special Educational Needs and Disability (SEND) support as well as mental health support.

To find out what is available in your area, please contact your child's college or local authority. To explore the website, please visit: <https://educationcatchup.campaign.gov.uk>.
