

### Bank of England

On Friday, 22nd November, Year 7 embarked on an exciting trip to the Bank of England, where they delved into the fascinating history of the institution and gained valuable insights into how money functions in the modern world. The day was filled with exploration and discovery, offering students a unique learning experience beyond the classroom. Adding to the festive spirit, the group admired the stunning Christmas decorations as they travelled through central London, making the outing even more memorable. It was a truly enriching and enjoyable day for everyone involved.

### Safer Hayes

On Thursday 21st November, students participated in a focus group to share their perspectives on the measures implemented through the Safer Hayes initiative. The session, expertly led by the project facilitators, provided a platform for meaningful dialogue and student input. The students fully engaged with the discussions and found the experience both rewarding and enjoyable. The facilitation team praised our students for their thoughtful contributions and active participation, making it a highly successful and impactful day.

IF THEY ARE CONCERNED ABOUT THEIR SAFETY PLEASE CALL THE POLICE.

## Daylight Savings SAFETY PLANS...

### Mobile Telephones

Whilst the College accepts that some parents, guardians and carers wish their child to carry a mobile telephone for reasons of personal safety as they travel to and from college, they must remain switched off and kept out of sight during the College day. It is the policy of the College for all Key Stage 3 students to hand their mobile telephones to their form tutors at the beginning of each day.

The telephones are then securely stored until the end of the day when they are returned to the students. Please note that the College will not accept liability for the safe keeping of a mobile phone; it will remain the responsibility of the student at all times.

Use of a mobile phone during college hours will lead to sanctions being imposed, up to and including confiscation.
