### SORTED Assembly

Hewens College had the privilege of hosting an incredibly insightful and engaging assembly led by SORTED, focusing on the social issues young people face today. The session provided valuable information on staying safe and highlighted the steps young people can take if they ever need help or advice. Our Year 8 students were engaged and inspired throughout the session. A huge thank you to the team for their impactful work.

Sharon Stevens

It is with deep sadness that we announce the death of our much-loved and highly respected serving colleague, Sharon Stevens, who passed away on Wednesday 26th March 2025.

Sharon spent much of her working life in schools and has been a member of our college community for many years. For our students, parents, guardians and carers, staff and members of our college community, Sharon was the first person they saw on a day to day basis, always with a warm welcome.

Sharon forged supportive and meaningful relationships with our students and their families, and those she worked with, helping make our college a safe and welcoming place to be. She listened and helped, and was always there for those who needed her. Sharon was a valued colleague and friend, and will be greatly missed by us all. Support will be made available to students and staff. Our deepest sympathy goes to her family at this difficult time.
