Open Evening

On Thursday 25th September, we hosted our Open Evening for prospective Year 7 students from across the borough. Due to the hard work of the Hewens Team, the College once again replicated the rounded experience that this occasion provided in previous years. All subjects were showcased with different elements of the course engaging prospective students and providing them with enriching experiences. As ever, Science put on a strong show with their stimulating range of experiments but it was Mr Maxwell and his team of musicians who stole the show with their mellifluous instrumentals and melodious singing. Our student guides worked effortlessly to ensure that the event was a success, providing visitors with an unparalleled experience with their warm, cheerful and mature manner. We hope to see many of our visiting Year 6s in Year 7 next year!

Punctuality

We would like to remind parents, guardians and carers of the importance of all students having a positive start to their day by arriving at college at 8:45am.

All students are expected to be in college for morning registration at time. If you receive a communication from the College that your child has been late on more than one occasion, please discuss this with them and support them so that they arrive at college on time. Students who are persistently late will be referred to the Educational Welfare Officer.

College Uniform

The College uniform plays a valuable role in supporting positive behaviour for learning and contributes to the ethos of the College. All students are required to wear full college uniform when attending college for normal lessons, representing their college, or when participating in a college event outside normal college hours and on educational trips and visits.

Should there be an opportunity for the College to host an internal event, it is essential that students continue to project a positive image of the College.

As such, all students are required to wear full college uniform in order to participate in special events.

Home/College Communication

We believe that strong communication links between the College and parents, guardians and carers are vital in supporting students in achieving their personal best.

Research has shown that students' academic progress achievements are significantly influenced by the extent of parental involvement and interest in their education. The College communicates with parents, guardians and carers in a variety of different ways:

- Verbal: in meetings, by telephone

- Events: information evenings, open evening, academic tutoring
- Written: letters, notes in planners, newsletters
- Electronic: notices posted on the College website, text messages and email

Results from the latest surveys indicate that the majority of our parents, guardians and carers are happy with the quality and quantity of home/college communication.

However, if you have any suggestions for further improving communications, please let us know as we are always receptive to new ideas and initiatives.

Kooth

Kooth is an anonymous, safe, confidential and non stigmatised way for young people aged between 11 and 25 to receive counselling, advice and support online. During this difficult time, it is a necessity to provide young people with as much mental health and wellbeing support as possible, thus Kooth works alongside various mental health and local services to provide a fully integrated service to best support young people free of charge. Please visit [\[https://www.hewenscollege.co.uk/99/announcements/announcement/221/announcement/?from=home\]](https://www.hewenscollege.co.uk/99/announcements/announcement/221/announcement/?from=home) for further information.
