

## Year 8 Visit the Battle of Britain Bunker

Year 8 students recently enjoyed an exciting and educational visit to the Battle of Britain Bunker in Uxbridge, where they had the opportunity to explore one of the most significant sites in Britain's wartime history. During the visit, students learned about the vital role played by RAF pilots and ground crew during the Second World War and gained a deeper understanding of how the bunker operated as a secret underground command centre responsible for coordinating the defence of London and the South East.

A particular highlight of the day was seeing the famous operations map, which brought to life the strategic planning and decision-making that took place during the Battle of Britain. Students also learned about "The Few"—the courageous pilots whose efforts helped protect Britain during one of its most challenging periods. The trip provided a valuable opportunity for students to enrich their classroom learning through first-hand experiences and historical exploration. It was a thoroughly enjoyable and memorable day for all involved. We would like to extend our thanks to the Humanities Team for organising such a fantastic and immersive educational visit.

Recycle, Re-Use – College Uniform

As we head towards the end of the Summer Term, we are aware that there will be many students who will grow out of their college uniform and thus there will be many items of uniform that will no longer be worn.

As a college, we continue to embed environmental awareness within our college community and kindly request that any unwanted items of uniform in wearable condition are donated to the college to support our campaign for green initiatives whilst helping our families in need of support.

This will not only extend the lifespan of our uniform but also strengthen our green credentials whilst enabling us to support a recycling culture. For further details, please visit [<https://www.hewenscollege.co.uk/parents-guardians-and-carers/re-cycle-and-re-use-uniform>].
